RAINIER CLUB GALLERY

A huge thank you to Gail Erleben for her connection and management of hanging a beautiful show at the Rainier Club. There was a reception in January, and the members were very impressed with the quality and variety of our members works. They were so impressed that they passed on our information to the WA State Convention Center, they have contacted us and there is a possibility for EAFA at the Convention Center in the future.

KUDOS CORNER

Congratulations to Gail Baker who sold two paintings in January and Linda Harris who sold two paintings in Tsuga Gallery's Miniature Show.

Bill Hook Is the February Demonstrator

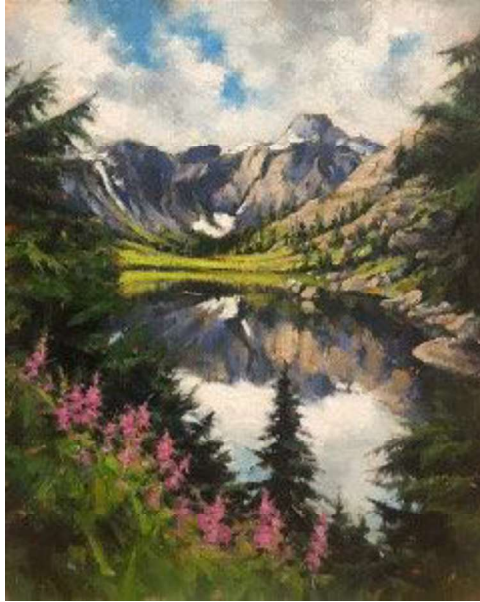

Our February demo artist is Bill Hook from W G HOOK Fine Art's. Bill is a excellent watercolorist mostly painting architectural structures and machinery. He plans to do an art demo which should be pretty exciting. He's has a great personality and fun to watch.

Hook is a Seattle based artist, internationally known for his masterful watercolor interpretations of industrial and urban settings. His drawing and observational skills were developed during a 40 year career as a highly respected and awarded architect and architectural illustrator. A turning point in his career occurred in 2007 when he was awarded a NIAUSI Fellowship for a two month residency just to observe, think, and paint in Civita di Bagnoregio, Italy. He has since focused his efforts toward freeing his artwork from the constraints of illustration and sees his art career as a process of change and development as he searches for more evocative, introspective and powerful means of capturing his interests. He is currently interested in transitions in his environment: studying what is temporary and what will become memory. His current project is a series of paintings capturing the demolition of the Viaduct. He is a signature member of the American Watercolor Society, National Watercolor Society, and Northwest Watercolor Society, and has won awards in all of these as well as numerous other exhibitions. He was a finalist in the Art of Watercolor Magazine world watercolor competition in Narbonne, France in 2014 and was a featured artist in the August 2016 issue of Watercolor Artist Magazine and SPLASH 18.

Below is the finished painting from last month's demonstrator, David Marty.

PUBLIC ART PROGRAM FOR FEBRUARY 2019

The Public Art Program is a volunteer interest group within EAFA. The program provides appreciation and enjoyment of art to public and private audiences. It also gives opportunities to participating artists to exhibit and sell their artwork at several public and private venues. Our participant's works include collage, abstract and representational art in a variety of media and subjects. We welcome new members into our public art program as we are always looking for new venues. Our Public Art Members are much appreciated and I want to thank all of them for being part of this group.
