FROM OUR PRESIDENT

At last - some good news - vaccine and stimulus checks coming soon! We can look forward to dining with friends and family again, shopping, and eventually having actual EAFA meetings!

But that's not all, Laura Grover, Charles Fawcett and Roger Baker are working on getting your paintings on our website as part of our Public Art Program. If you have not already submitted photos of 1 to 4 paintings to them, please do so asap. They would like to get the first exhibit up in the next week. This exhibit will rotate about every 3 months. You don't have to deliver pieces or even frame them for the exhibit. Just send them from your phone as an e-mail using the "medium size" photo on our phone. Include the title of the piece, medium, size and price. **ARTWORK DOES SELL FROM ON-LINE EXHIBITS!!**

More good stuff for EAFA members: The Northwest Watercolor Society has invited EAFA members to observe their on-line critique via Zoom. I was the featured critique artist in December, and it was great fun talking to the group about each wonderful painting. The January 11th featured artist doing the critique will be Bill Hook. If you are NOT a member of NWWWS and would like to observe, just send a message asking to register at nwws.critique@gmail.com. If you ARE a member of NWWWS, the link to register or to have your artwork critiqued in the future is www.nwws.org. There is a meet and greet from 12:45 to 1:00; the critique will be from 1:00 to shortly after 2:00.

In other news: Gudrun Bayerlein sold a photograph at Overlake Hospital, congrats Gudrun!

PLEASE e-mail me when you are accepted into an exhibit so I can include the info in our newsletter. I also greatly appreciate hearing from you, if you have a suggestion please let me know.

Just a reminder: while we are not required to pay membership dues this year, EAFA greatly appreciates gifts in any amount, we are a 501(c)3 non-profit organization so your donation is tax deductible.

Wishing you all a fabulous 2021! Jean

PUBLIC ART PROGRAM

Happy New Year to all EAFA Public Artists.

Our new Public Art On-Line gallery is getting started and we are very excited to offer this opportunity. We are calling artists alphabetically so everyone is guaranteed a space. If you get an invitation please respond if you will participate or not. This will let us know if we have your most updated contact information. Let us know if something has changed. If you feel that you should have been contacted let us know. It could be we do not have your most recent information and have missed you.

Open Public Art Venues has been limited to Overlake Hospital so we are happy to offer this new opportunity to get our work out.

The Department of Ecology will no longer be a Public Art Venue in 2021 as it will close it's Bellevue office.

Public Artwork includes collage, abstract and representational art in a variety of media and subjects.

We welcome new members into our public art program as we are always looking for new venues. Our Public Art Members are much appreciated and I want to thank all of them for being part of this group.

To learn more go to our EAFA webpage at, <https://eafa.org/public-art/how-to-join/>.

If anyone is interested in becoming an EAFA Public Art Manager or joining the EAFA Public Art Group please contact Laura Grover at szak56@aol.com or phone: 425-753-4550.
