MEETINGS

Due to COVID-19 we have no meetings scheduled until further notice. STAY SAFE AND WEAR MASKS.

FROM OUR CO-PRESIDENTS

GREETINGS FROM DEANNA MORGAN!

I don't know about you, however, I do know about me. I have been missing you all, I have been missing our meetings, I have been missing the camaraderie and the energy of meeting and seeing other EAFA members.

We were so pleased to have Jyl Blackwell step forward as our new president of EAFA. However, things have come up in her private life that make it impossible for her to hold the position at this time. Jyl has however committed to helping in different ways and we are looking forward to having her on the board and adding new ideas during these difficult times.

NEW CO-PRESIDENTS

Moving forward, Deanna Morgan (past president) and Jean Beuoy (past president) have decided to share this position until such time we can have meetings again and vote on a new officers.

PUBLIC ART PROGRAM

Due to covid, the Public Art Program has not had the normal rotation that we normally have at our different venues. Also, some of our venues have changed and others have been closed. Laura Grover is so wonderful and is always looking into new venues, so if you have any great ideas, please pass them on to Laura. Don't forget, the sales listed above are from the Public Art Program.

MESSAGE FROM DEANNA AND JEAN

We are looking into different ideas and how to do some fun and creative things for our membership. If you have ideas, questions or plans that you would like to share, please let us know.

CALLING ALL ARTISTS!

Newcastle Arts Council, in partnership with Avalon Newcastle Commons and Bishops Newcastle, is organizing an art fair to be held at Avalon Newcastle Commons on Saturday, September 18, 2021. The mission of Newcastle Arts Council is to promote, support, and encourage the arts in the local Newcastle area as the organization works toward Making the Arts Come Alive in Newcastle.

Much has changed over the past year and our artists community has been hit particularly hard by the pandemic. The art fair is an opportunity for artists to be able to showcase their creativity to our community and hopefully receive some economic benefit from being able to sell items to the public at an organized event.

If you would like to participate in this event with a booth space, please submit a form that can be found on the Newcastle Arts Council website at newcastlewaarts.org.

Submissions should be sent to the Newcastle Arts Council e-mail address at newcastlewaarts@gmail.com. Submissions must be received no later than August 13, 2021. More information is provided below about this opportunity. Questions can be sent to newcastlewaarts@gmail.com.

DETAILS

Date of event: Saturday, September 18, 2021

Hours of operation will be from 10:00am to 4:00pm. Artists will be allowed to set up their space starting at 8:00am in the morning and should be ready to go no later than 30 minutes from the opening of this event BY 9:30am. Artists are further expected to remain until the event closes.

Location – Courtyards and sidewalks at Newcastle Commons in Newcastle, WA surrounding the corners of Newcastle Commons Drive and 134th Place SE. There will be a check in table near the Avalon Newcastle Commons Leasing Office on Newcastle Commons Drive near the North Lawn for check-in. Parking is limited so please plan to arrive early to offload your items. Temporary parking for artists to use for offloading will be available along 134th Place SE in the loading zones. After you have offloaded your items, a temporary parking pass will be provided to you for free parking on P1 of the parking garage. The parking garage entrance is located on 132nd Place SE.

Artists' space at event: Participating artists will be provided with a 10X10 space on the sidewalk to showcase their artwork. The location will be determined by the committee, and it cannot be changed. You are responsible for bringing your own display materials, tables, tents, etc. Booth spaces do not include power. Each vendor is responsible for keeping their 10x10 space and surrounding area free of trip/slip hazards.

Food: Food will be available on-site for purchase.

No cost: There is no cost to participate in this event. However, Newcastle Arts Council is a 501c3 and would gladly appreciate your donations so we can continue to provide for these events and activities in our community.

Health requirements: These are in line with other markets in which you may be participating and are subject to change based on changes from State, County and Local health departments. At this point in time, you will be given a health questionnaire in advance of your participation day asking about potential symptoms and exposure. The questionnaire applies to anyone in your booth. You must have hand sanitizer at your booth. This is a very fluid situation, so please remain flexible.

Sales: You are responsible for your sales transactions and reporting of those transactions for tax purposes. The City of Newcastle is not requiring art vendors to have a business license specific for this event.

Final determination of participation is at the discretion of Newcastle Arts Council.

We are extremely excited about this opportunity to support our local artists. Since this is the first year this event is being put on, we hope you will be flexible and patient with event planning and logistics. Thank you for your interest in supporting the arts helping us in Making the Arts Come Alive in Newcastle.
