

Evergreen Association of Fine Arts Scholarship

Application Period

Open 4/15/26 - 6/30/26

The Evergreen Association of Fine Arts (EAFA) was established in 1975 to promote art appreciation, support artists and their communities, provide opportunities to display art and coordinate ongoing educational programs for artists. The EAFA website at eafa.org lists all of our programs.

Each year EAFA awards an annual scholarship to support a deserving art student or organization. The annual scholarship amount is \$1,000. The EAFA Scholarship is one way we invest in the art community and the future. Scholarship funds should be used to cover art supplies and supplement art training fees and are not to be used for travel.

To apply, please answer the following questions. Individuals please attach 5 examples of your artwork and your artist statement.

Download this form, fill in the requested info, and send as an attachment in email to scholarship@eafa.org before 6/30/2026.

You may also mail your application materials to:
